Memorandum for the Record

Subject: C/TSSG questions concerning reference in proposal calling for support from NPIC personnel and equipment.

X1 (1) [redacted] was unavailable for comment.

(2) On telecon with [redacted] of 25X1 [redacted] he stated reference was to nothing specific but that he was anticipating support on the same level as provided in the past, ie, the case of equipment in ESD for minor adjustments and possible use of an electronics technician (which helps familiarize Center personnel with the equipment).

X1 (3) [redacted] of ESD/Maintenance Branch stated that he has worked with and supported [redacted] personnel 25X1 in the past and that he saw no problems with either equipment or personnel on that basis.
